2016 Edition  
Wraps and Graphics

## Warranty Information

---

### PERFORATED WINDOW GRAPHICS

#### Store Front

1 Year warranty covers peeling, excessive fading, and cracking. There is no warranty against peeling or abrasions on windows that move or slide.

**Typical Life Expectancy is 12-36 months.**

#### Vehicles

2 months warranty covers peeling, excessive fading and cracking.

**Typical life expectancy is 12 months.**

### VEHICLE LETTERING

1 Year warranty covers peeling, fading, and cracking

**Typical life expectancy is 3-5 years**

### VEHICLE WRAPS

Colorado Signs offers a limited warranty on 3M wrap materials. The film is warranted against excessive fading, discoloration and blistering for 3 years. Wraps on any horizontal surfaces such as hoods & roofs are not warranted. (This warranty is covered by 3M)

Colorado Signs Offers a 1 year warranty from the install date on installation and workmanship. (Peeling, or lifting) Damaged areas will be trimmed back and patched or replaced if needed. Our 3M certified installer will go over the vehicle and see what is best.

**Typical life expectancy is 3-5 years**

### EXTERIOR SIGNS & DECALS

1 Year warranty covers peeling, fading and cracking.

**Typical life expectancy is 4-5 years**

### BANNERS

No warranty. Banners are known to be a temporary sign and will not be warranted.

**Typical life expectancy is 3-24 months**

### EXTRAS

Damages caused from vandalism, wind, rain, hail, sleet, or any "act of god" are not covered under any warranty.

Graphics installed by someone not employed by Colorado Signs are not warranted.

Warranty repairs must be done in Colorado Signs install Bay, not customer location.

Any Graphics that are altered or tampered with, will result in warranty being null and void
